Press release

02.26.2015

Weber Metals attends PEP Event

Weber Metals employees attended the Paramount Education Partnership's (PEP) Scholarship Business Social, sponsored by the Paramount Chamber of Commerce, and held at Gus's Deli. This event allowed the program's sponsors to network with each other and with community leaders. Weber is a top sponsor to the PEP, which raises money for student scholarships.

Members of the Paramount Lions Club present a check for \$8,000 to PEP Board Members
